- (b) if so, the outcome of the study; and
- (c) the quantity of jute produced and exported from Assam during each of the last three years till date?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES SHRI BASANAGOUDA R. PATIL (YATNAL)

(a) No, Sir.

(b) Does not arise.

(c) The quantity of jute produced in Assam during each of the last three years is as under:

Year	Quantity in M.T.
1999-2000	6447
2000-2001	9450
2001-2002	11122

There is no registered exporter of jute and jute products in Assam. Therefore, there is no record available with the Government regarding the export of jute from Assam during the last three years.
